## RP DRESS CODE - Lead Trainers

Here's the deal.

Your identity matters.

Color and branding go hand in hand. Choose some of the above colors **and a visibly branded item** and you are in compliance. You need both things to be on brand!

So grab your clearly labeled LEAD TRAINER garb and let's make sure you are camera ready!

Shoes are limited to athletic footwear.

Obviously no dresses, jeans, sandals, heels, or other open toed shoes.

*And no teaching barefoot.*

See you on the floor.
